

**PROPOSAL FOR BRISTNALL HALL TECHNOLOGY COLLEGE INDEPENDENT
SIXTH FORM CENTRE FOR
SEPTEMBER 2012**

Our students have enjoyed Sixth Form Studies at BHTC over the last three years. This has been done through an arrangement with The Collegiate Academy.

The Governors are now looking to establish a fully independent Sixth Form Centre at BHTC. This will enable us to further improve our provision and offer our community a more local provider.

We will continue to work with The Collegiate Academy, Sandwell College, Schools and other Partners to ensure that BHTC students get the best possible education available.
